Criteria for Non-local Enrolment Application will be:

- French Immersion Program;
- French Community Languages Program;
- Compassionate reasons;
- Proximity and access to the school;
- Siblings already enrolled at the school; and
- Safety and supervision of the students before and after school.

If applying to enrol in our French programs, please indicate your preference. Please note that enrolments in our French Immersion Program (4 hours per week) require a Francophone speaker in the family to assist with home support and that this program is parent funded. Please contact the school for more information. Our French Community Languages Program (1 hour per week) does not incur costs.

Please provide details of any compassionate reason why you wish your child to be enrolled at Taren Point PS.

Please provide details of any issues related to proximity and access to the school that would support your application for enrolment.

Please outline how you feel that an enrolment at Taren Point PS will improve for your child's safety and supervision, before and after school.

Please add any other comments that you feel are relevant in considering this application.
