			Wyld		Completed
15	Principals Report	As attached attachment B	Trent Bridgland		Completed
16	Meeting closed 7.21pm	Next meeting 05/08/2019			

Attachment B

Students

- NAPLAN assessments finished last week and on the whole ran smoothly. Due to technical difficulties experienced during the reading assessment, parents/students were offered the opportunity to opt-in for a resit of the test, in which 8 students took up the offer.
- Ethics is due to start for Stage 1 in Week 7 (next week). Students in Years 1 and 2 who attend non-scripture have received an opt-in note. Parents of students who do not attend non-scripture but would like their child to attend ethics will need to make a request in writing.
- Congratulations to our Senior dance group who have been selected to dance at the In the Spotlight Dance festival on the 17 June at the Seymour Centre. Thank you to Miss Amos for helping prepare the dancers.

- Year 6 begin their fundraising campaign with Blue's Day this Wednesday – Gold coin donation.
- Our student leaders will attend Day 1 of the Leadership by the Bay conference this Wednesday with along with other student leaders from surrounding schools.
- Our second Fathering Project – Bangers and Bingo, will be held in Week 7 on the 13 June from 3:15-4:30. Due to the high number of dad's at who were able to come to our last afternoon, it was decided to host the Bangers and Bingo in the same timeslot. We will look at a later time for the next event.
- ICAS tests will be online this year. There has been a significant increase in the costs of each test. Although the test are not a useful tool for the teachers, the school understands that parents that do have their children participate appreciate the opportunity. English and Mathematics will be the two tests offered and will be held in September.

Staff

- Currently celebrating Staff Wellbeing Week. To be able to support the wellbeing of our students, it is essential to ensure the wellbeing of our teachers. I would like to acknowledge and thank the staff who make this such a fantastic school.
- Staff are currently writing Semester 1 reports and will be sent home in the last week of term.
- Miss Stephens and Miss Amos are currently undertaking NAPLAN marking.
- We are fortunate enough to have another community volunteer/pre-service teacher working with small groups of students across the school to provide extension and support in literacy and numeracy on Mondays and Tuesdays.

Parents

- Thank you to the Hatton's for giving our garden outside the Kindy and 1/2 a much needed makeover.
- A heartfelt thanks, on behalf of our whole school community, to Alana who has been highly involved in the P&C both as a member and more recently the P&C President. She has done so much for our school, including organising and overseeing the many fundraising events held at school. I wish her and her family all the best with their upcoming interstate move.
- Construction on the noise wall is on track. Holes are currently being drilled. Much of the noisier work to be completed on weekend. Expected completion date - end of July.
